**GLOBAL NOTES, METHODOLOGY AND SPECIFIC
DISCLOSURES REGARDING THE DEBTORS' SCHEDULES OF
ASSETS AND LIABILITIES AND STATEMENTS OF FINANCIAL AFFAIRS**

Introduction

The above-captioned debtors (collectively, the “**Debtors**”) with the assistance of their advisors, have filed their respective Schedules of Assets and Liabilities (the “**Schedules**”) and Statements of Financial Affairs (the “**Statements**”, and together with the Schedules, the “**Schedules and Statements**”) with the United States Bankruptcy Court for the District of Delaware (the “**Bankruptcy Court**”), pursuant to section 521 of title 11 of the United States Code (the “**Bankruptcy Code**”) and Rule 1007 of the Federal Rules of Bankruptcy Procedure (the “**Bankruptcy Rules**”).

These Global Notes, Methodology and Specific Disclosures Regarding the Debtors’ Schedules of Assets and Liabilities and Statements of Financial Affairs (the “**Global Notes**”) pertain to, are incorporated by reference in, and comprise an integral part of the Schedules and Statements. The Global Notes should be referred to, considered, and reviewed in connection with any review of the Schedules and Statements.

The Schedules and Statements have been signed by Brian Loftus, the duly authorized and designated representative of the Debtors (the “**Designated Representative**”). The Designated Representative has relied upon the efforts, statements, and representations of various personnel employed

by the Debtors and their advisors, and has not (and could not have) personally verified the accuracy of each statement and representation contained in the Schedules and Statements, including statements and representations concerning amounts owed to creditors, classification of such amounts, and creditor addresses.

Global Notes

1. Except where otherwise noted the information provided herein is presented as of the beginning of business on November 8, 2023 (the “**Petition Date**”).
2. While the Debtors have made every reasonable effort to ensure that the Schedules and Statements are accurate and complete, based upon information that was available at the time of preparation, inadvertent errors or omissions may exist and the subsequent receipt of information and/or further review and analysis of the Debtors’ books and records may result in changes to financial data and other information contained in the Schedules and Statements. Moreover, because the Schedules and Statements contain unaudited information, which is subject to further review and potential adjustment, there can be no assurance that the Schedules and Statements are complete or accurate.
3. The Debtors reserve the right to amend the Schedules and Statements as may be necessary or appropriate in the Debtors’ sole and absolute discretion, including, but not limited to, the right to assert offsets or defenses to (which rights are expressly preserved), or to dispute, any claim reflected on the Schedules as to amount, liability or classification, or to otherwise subsequently designate any claim as “disputed,” “contingent” or “unliquidated.” These Global Notes will apply to all such amendments. Furthermore, nothing contained in the Schedules shall constitute a waiver of the Debtors’ rights with respect to these chapter 7 cases and specifically with respect to any issues involving substantive consolidation, equitable subordination and/or causes of action arising under the provisions of chapter 5 of the Bankruptcy Code and other relevant non-bankruptcy laws to recover assets or avoid transfers, or an admission relating to the same.
4. Any failure to designate a claim listed on the Schedules as “disputed,” “contingent” or “unliquidated” does not constitute an admission by the Debtors that such amount is not “disputed,” “contingent” or “unliquidated.” Additionally, the dollar amounts of claims listed may be exclusive of contingent and additional unliquidated amounts. Further, the claims of individual creditors are listed as the amounts entered on the Debtors’ books and records and may not reflect credits or allowances due from such creditors to the Debtors or setoffs applied by such creditors against amounts due by such creditors to the Debtors with respect to other transactions between them. The Debtors reserve all of their rights with respect to any such credits and allowances.
5. Some of the Debtors’ scheduled assets and liabilities are unknown and/or unliquidated. In such cases, no amounts are listed or the amounts are listed as “undetermined,” “unknown,” “none calculated” or to similar effect. Accordingly, for this and other reasons the Schedules may not fully reflect the aggregate amount of the Debtors’ assets and liabilities.
6. At times, the preparation of the Schedules and the Statements required the Debtors to make assumptions that may affect the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities, and/or other items. Actual results could differ from those estimates. Pursuant to Fed. R. Bankr. P. 1009, the Debtors may amend the Schedules as they deem necessary and appropriate to reflect material changes. In addition, the Debtors, for the benefit of

their estates, reserves the right to dispute or to assert offsets or defenses to any claim listed on the Schedules.

7. Given the differences between the information requested in the Schedules and the financial information utilized under generally accepted accounting principles in the United States (“GAAP”), the aggregate asset values and claim amounts set forth in the Schedules may not necessarily reflect the amounts that would be set forth in a balance sheet prepared in accordance with GAAP.
8. With respect to Schedule A/B, questions 6-8, the advance fee amount paid by Unique Fabricating NA, Inc. to the Debtors’ bankruptcy counsel, Young Conway Stargatt & Taylor, LLP, and financial advisor, GlassRatner Advisory & Capital Group, LLC dba B. Riley Advisory Services, on an earned upon receipt basis does not constitute an interest of the Debtors in property and is thus not listed in response to Schedule B, questions 6-8. This payment is listed in response to Statement question 11.
9. With respect to Schedule A/B, questions 38-41, the Debtors have not verified the physical existence of all assets listed in response thereto; it is possible at least some assets may have been discarded, disposed of, or otherwise transferred or abandoned prior to the Petition Date.
10. With respect to Schedule A/B, question 73, the Debtors were provided coverage under various insurance policies as of the Petition Date, but did not ascribe a book value to any of their insurance policies.
11. With respect to Schedule A/B, questions 74 and 75, the Debtors have not listed all causes of action against third parties, although it is possible such causes of action may exist. Among other things, the Debtors have not analyzed and listed any potential actions arising under chapter 5 of the Bankruptcy Code. The Debtors on behalf of their estates, reserve all of their rights with respect to any causes of action they may have, whether or not listed as assets in the Schedules and Statements, and neither these Global Notes nor the Schedules and Statements shall be deemed a waiver of any such causes of action.
12. The claims listed on Schedule D arose or were incurred on various dates; a determination of the date upon which each claim arose or was incurred would be unduly burdensome and cost prohibitive. Accordingly, such dates are not included. All claims listed on Schedule D, however, were incurred before the Petition Date. Reference to the applicable loan agreements and related documents or other instrument creating the purported lien is necessary for a complete description of the collateral and the nature, extent, and priority of liens. Nothing in the Global Notes or the Schedules and Statements shall be deemed a modification or interpretation of the terms of such agreements. Except as specifically stated on Schedule D, real property lessors, utility companies, equipment lessors, and other parties that may hold security deposits have not been listed on Schedule D. Nothing herein shall be construed as an admission by the Debtors of the legal rights of the claimant or a waiver of the Debtors’ rights to recharacterize or reclassify such claim or contract. Moreover, the Debtors have not included on Schedule D parties that may believe their claims are secured through setoff rights, letters of credit, surety bonds, or statutory lien rights.

13. The Debtors have used reasonable efforts to report all general unsecured claims against the Debtors on Schedule E/F, based upon the Debtors' books and records as of the Petition Date.
14. Determining the date upon which each claim on Schedule E/F part was incurred or arose would be unduly burdensome and cost prohibitive and, therefore, the Debtors do not list a date for each claim listed on Schedule E/F. Furthermore, claims listed on Schedule E/F may have been aggregated by unique creditor name and remit to address and may include several dates of incurrence for the aggregate balance listed.
15. The Debtors have not determined whether, and to what extent, any of the creditors identified on Part 1 of Schedule E/F are actually entitled to priority under section 507 of the Bankruptcy Code. The Debtors reserve the right to assert that claims identified on Part 1 of Schedule E/F are not claims that are entitled to priority.
16. With respect to Schedule E/F, the Debtors have not included taxing authorities that might assert claims in currently unknown amounts.
17. The Debtors, on behalf of their estates, hereby reserve all of their rights to dispute the validity, status or enforceability of any contract, agreement, lease or document set forth on Schedule G, including but not limited to those that may have expired or may have been modified, amended, and supplemented from time to time by various amendments, restatements, waivers, estoppel certificates, letters and other documents, instruments, and agreements which may not be listed on Schedule G. Any contract, agreement, lease or document listed on Schedule G may contain certain renewal options, guarantees of payment, options to purchase, rights of first refusal, and other miscellaneous rights. Such rights, powers, duties and obligations are not set forth on Schedule G. Certain executory agreements may not have been memorialized in writing and could be subject to dispute. In addition, the Debtors may have entered into various other types of agreements in the ordinary course of business, such as supplemental agreements, amendments/letter agreements, and/or confidentiality agreements. Such documents may not be set forth on Schedule G. The Debtors, on behalf of their estates, reserve all of their rights to dispute or challenge the characterization of the structure of any transaction, or any document or instrument related to a creditor's claim. In the ordinary course of business, the Debtors may have entered into agreements, written or oral, for the provision of certain services on a short-term or at-will basis. Such contracts may not be included on Schedule G. However, the Debtors, on behalf of their estates, reserve their rights to assert that such agreements constitute executory contracts.
18. Listing a contract, lease, agreement or other document on Schedule G does not constitute an admission that such contract, lease, agreement or other document is an executory contract or unexpired lease, and omitting any contract, lease, agreement or other document from Schedule G does not constitute an admission that such contract or agreement is not an executory contract or unexpired lease. On behalf of their estates, the Debtors reserve all rights to challenge whether any of the listed contracts, leases, agreements or other documents constitute an executory contract or unexpired lease, and to add additional contracts, leases, agreements or other documents to Schedule G. Any and all of the Debtors' rights, claims and causes of action with respect to the contracts and agreements listed on Schedule G are hereby reserved and preserved.

19. With respect to Statement question 1, although the Debtors remained operational until November 8, 2023 as noted in response to question 1, gross revenue is presented through and including October 31, 2023, the most recent month-end close. Gross revenue is presented without netting for operating expenses.
20. Statement 3 includes any disbursement or other transfer made by or on behalf of all the Debtors within 90 days before the Petition Date except for those made to insiders (which payments appear in response to Statement 4) and made as part of regular and ordinary course payroll disbursements.
21. With respect to Statement questions 4 and 30, the listing of any person or entity is not intended to be nor shall it be construed as a legal characterization of such party as an insider, and does not act as an admission of any fact, claim, right or defense, and all such rights, claims and defenses are hereby reserved by both the Debtors and such persons or entities.
22. With respect to Statement question 4, the amount of compensation paid to the officers and directors of the Debtors during the period stated therein is listed therein in aggregate form. In addition, certain expense reimbursement information has not been provided because the Debtors are no longer able to access the software used to record and track employee expense reimbursements. More detailed information can be obtained from the Debtors' books and records.
23. With respect to Statement question 6, in the ordinary course of business certain of the Debtors' creditors may have setoff all or part of amounts owed by the Debtors against security deposits, retainers or payables owed to the Debtors. The Debtors did not historically maintain a record of such setoffs, so they are not listed. Additionally, bank fees deducted from bank accounts of the Debtors are not listed in response to Statement question 6.
24. With respect to Statement question 10, the Debtors occasionally incur losses for a variety of reasons, including theft and property damage. The Debtors, however, do not have records of losses that do not have a material impact on the Debtors' businesses or are not reported for insurance purposes.
25. With respect to Statement question 21, the Debtors have endeavored to identify all tooling held by the Debtors but owned by their customers. However, the Debtors submit that conducting a full inventory of all customer-owned tooling would be unduly burdensome and cost prohibitive. Accordingly, the Debtors' response to Statement question 21 may not include all customer-owned tooling.
26. With respect to Statement questions 26(a) through 26(c), the Debtors have excluded rank and file accountants and bookkeepers in response to this question, instead listing the officer who supervised them.
27. With respect to Statement question 26(d), the Debtors have provided financial statements in the ordinary course of their businesses to various financial institutions, creditors, landlords, and other parties within two years immediately before the Petition Date. Considering the number of such recipients and the possibility that such information may have been shared with parties without the Debtors' knowledge or consent or subject to confidentiality agreements, the Debtors have not disclosed any parties that may have received such financial statements for the purposes of Statement 26d.

28. With respect to Statement question 27, the amounts listed in response to this question include deductions on account of excess and obsolete inventory. Additionally, the Debtors' records only show information related to the one-year period prior to the Petition Date.
29. With respect to Statement question 28, all of the Debtors' officers and directors were terminated or resigned from those positions effective upon, or shortly after, the filing of the Debtors' bankruptcy cases, but are listed herein to the extent still in those positions as of the filing of the Debtors' chapter 7 bankruptcy petitions. Prior to their resignation, the board designated the Designated Representative to complete certain specified tasks related to these chapter 7 cases notwithstanding such resignations, including completion of the Schedules and Statements.
30. With respect to Statement question 30, the amount of compensation paid to the officers and directors of the Debtors during the period stated therein is listed in response to Statement question 4. More detailed information can be obtained from the Debtors' books and records.
31. The Debtors and their past or present officers, employees, attorneys, professionals and agents (including, but not limited to, the Designated Representative), do not guarantee or warrant the accuracy, completeness, or currentness of the data that is provided herein and shall not be liable for any loss or injury arising out of or caused in whole or in part by the acts, errors or omissions, whether negligent or otherwise, in procuring, compiling, collecting, interpreting, reporting, communicating or delivering the information contained herein. The Debtors and their past or present officers, employees, attorneys, professionals and agents (including, but not limited to, the Designated Representative) expressly do not undertake any obligation to update, modify, revise or re-categorize the information provided herein or to notify any third party should the information be updated, modified, revised or re-categorized. In no event shall the Debtors or their past or present officers, employees, attorneys, professionals and/or agents (including, but not limited to, the Designated Representative) be liable to any third party for any direct, indirect, incidental, consequential or special damages (including, but not limited to, damages arising from the disallowance of any potential claim against the Debtors or damages to business reputation, lost business or lost profits), whether foreseeable or not and however caused arising from or related to any information provided herein or omitted herein.
